ZEPHYR 1988

Deanna (Cabbie "D"),

I have really enjoyed knowing you this year! Eventhough, you don't like me, I still think you're Kinda Special (Like). No Really you are very nice to know. I wish you alot of love and happiness and I will pray everynight that you will not "catch a CAB" (smile). Always remember me and my Syndrome. Pray for me and know I will always be praying for you!

Thanks for being there to cheer me up. Eventhough, you mistreated me, you still gave me courage to do the things I wouldn't even attempt to do! The more you curse me the more I like you.

The Shay Syndrome!

Remember Me Always,

Love

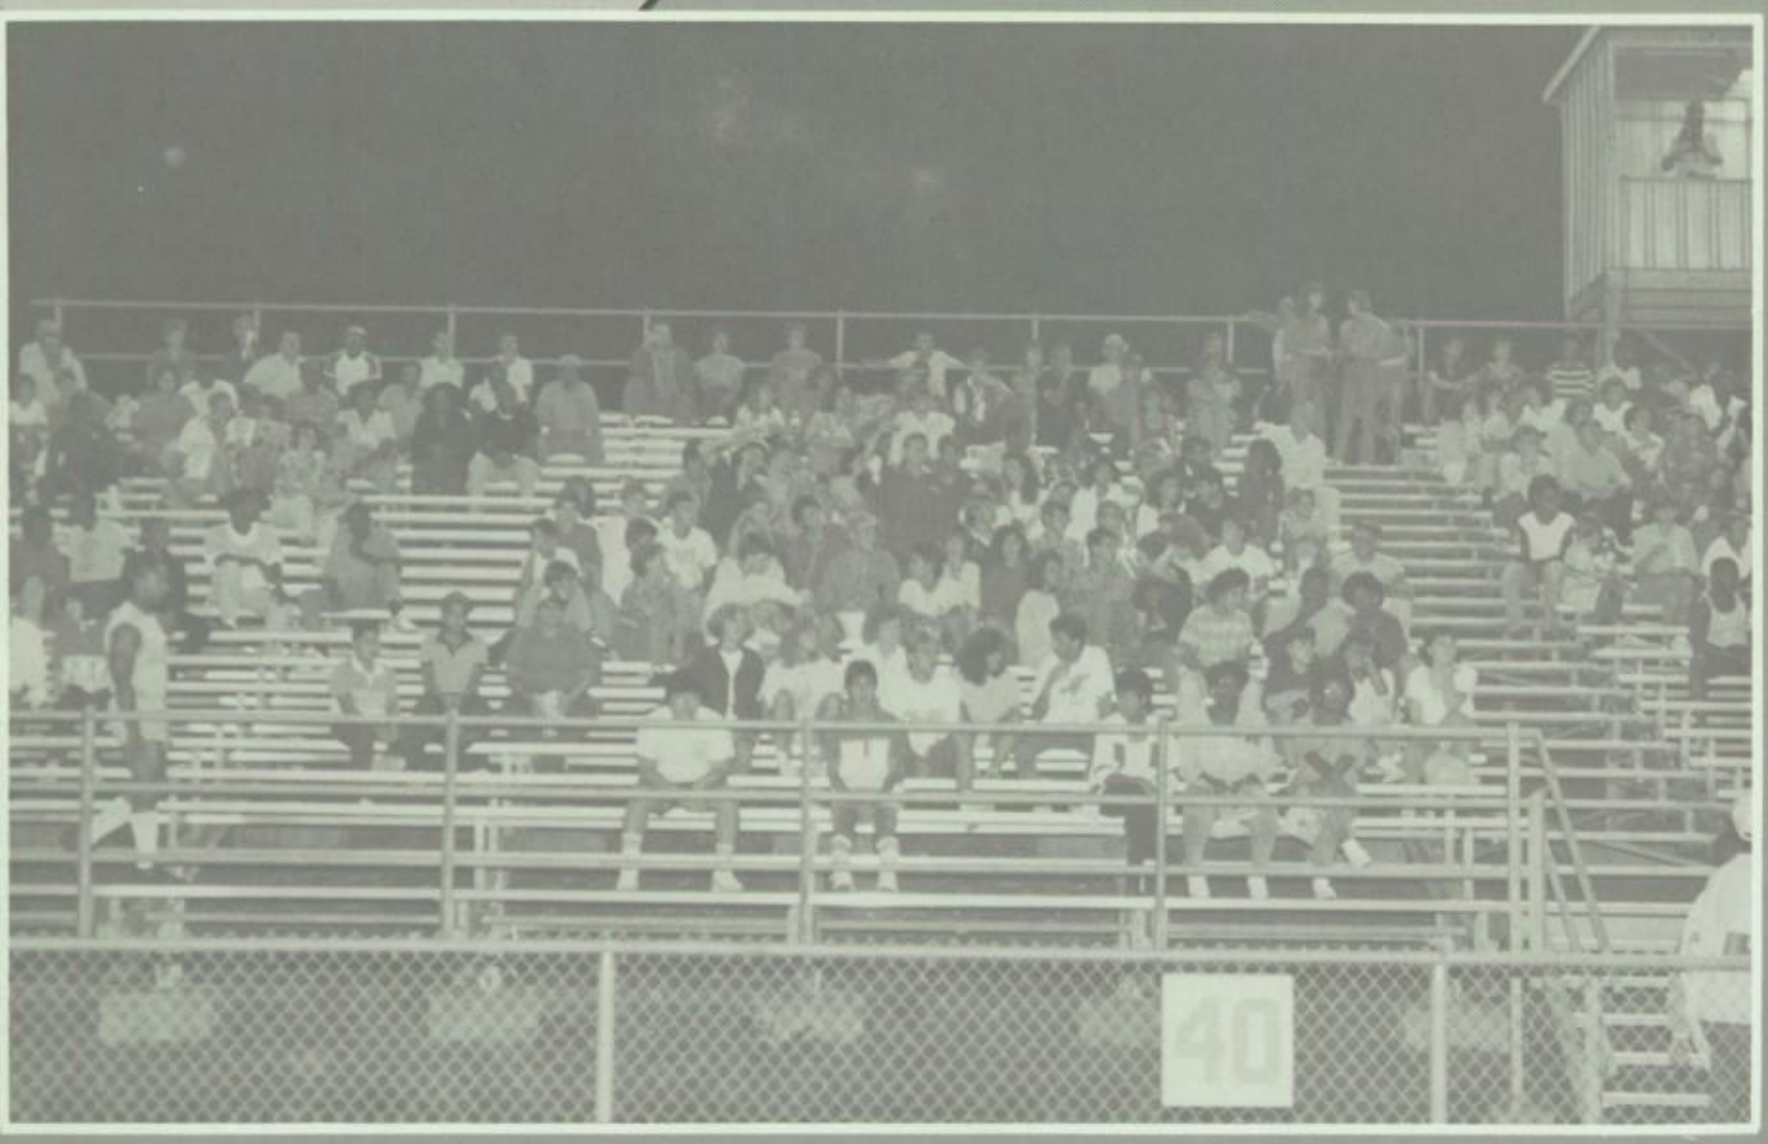
IT WAS A TIME TO REMEMBER

Student Life



BELIEVE ME, WE HAVE TALENT.

A stupendous crowd had a chance to see Westover students dance, sing, and rap for the 1987 Talent Show. After everyone demonstrated his or her talent the judges had the hard decisions of selecting these winners: Stephanie Coburn, individual competition; Ex-tasy, band competition; and the Beastie Boys, the big band competition. The 1987 Talent Show was proof positive to some uncertain teachers as well as parents that yes, Westover students do have talent for everyone to see and hear.

Now these are five guys who certainly know how to dress for the occasion.

Last minute preparations.

Everyone in the talent show had fun, even these guys.

Friends rocking on the mic together.

Jeanine Fuller's singing talent opened the door for her to the School of the Arts.

When these three ladies have the floor, everyone watches.

Wolverines taking time out to make sure everything is perfect.

If there is something to be said, then these two guys will say it.

SET-UP FOR THE PROM.

Cary, Soni, Tommy and Marco all stand together in the center of attention.

Westover students climb the ladder of success in interior decorating.

When all is said and done, all the streamers must be hung.

Before the prom, spirits were at a high for the decorating crew.

SADD shows its concern against drunk driving in this poster for the prom.

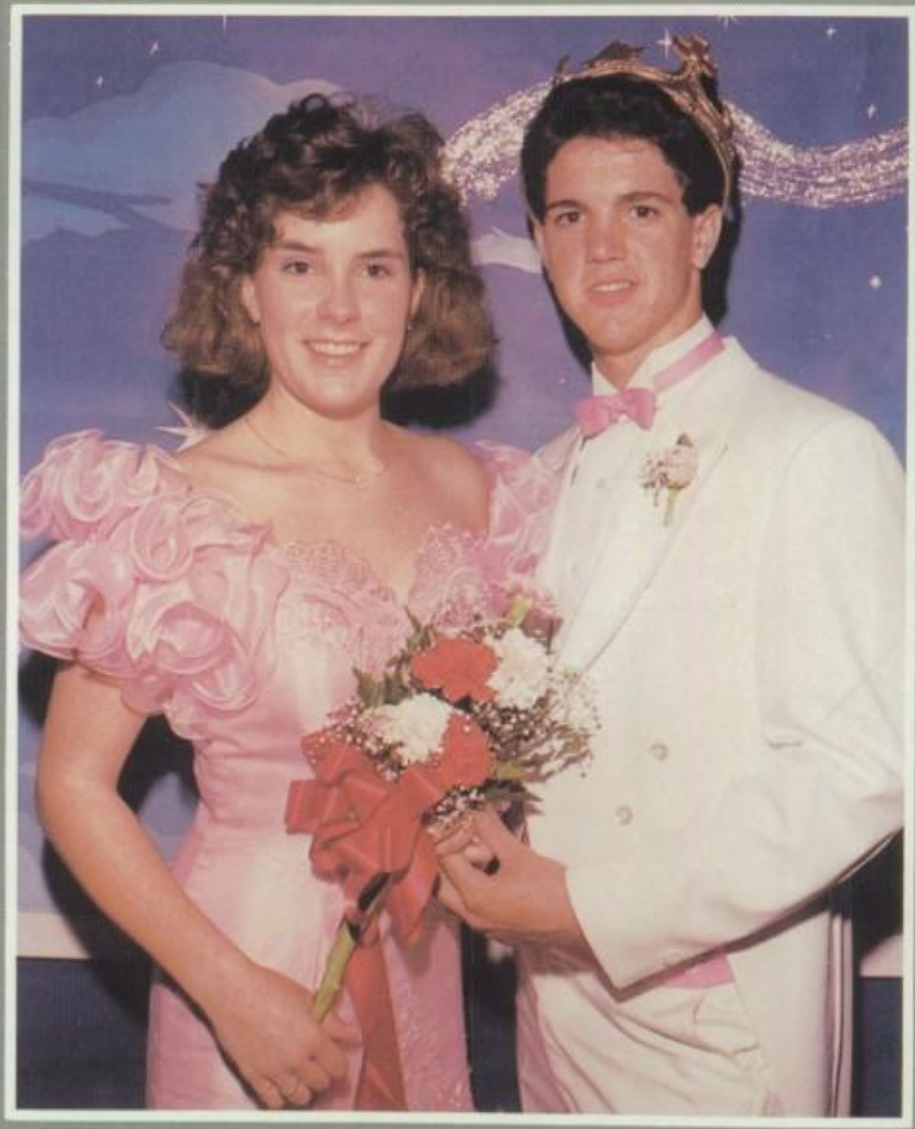
Creating a paradise setting is a high and dirty job, but someone has to do it.

As Karla makes the stars to shine for the night, Tanja collects the trash that clutters our sight.

ON THE EDGE OF A DREAM

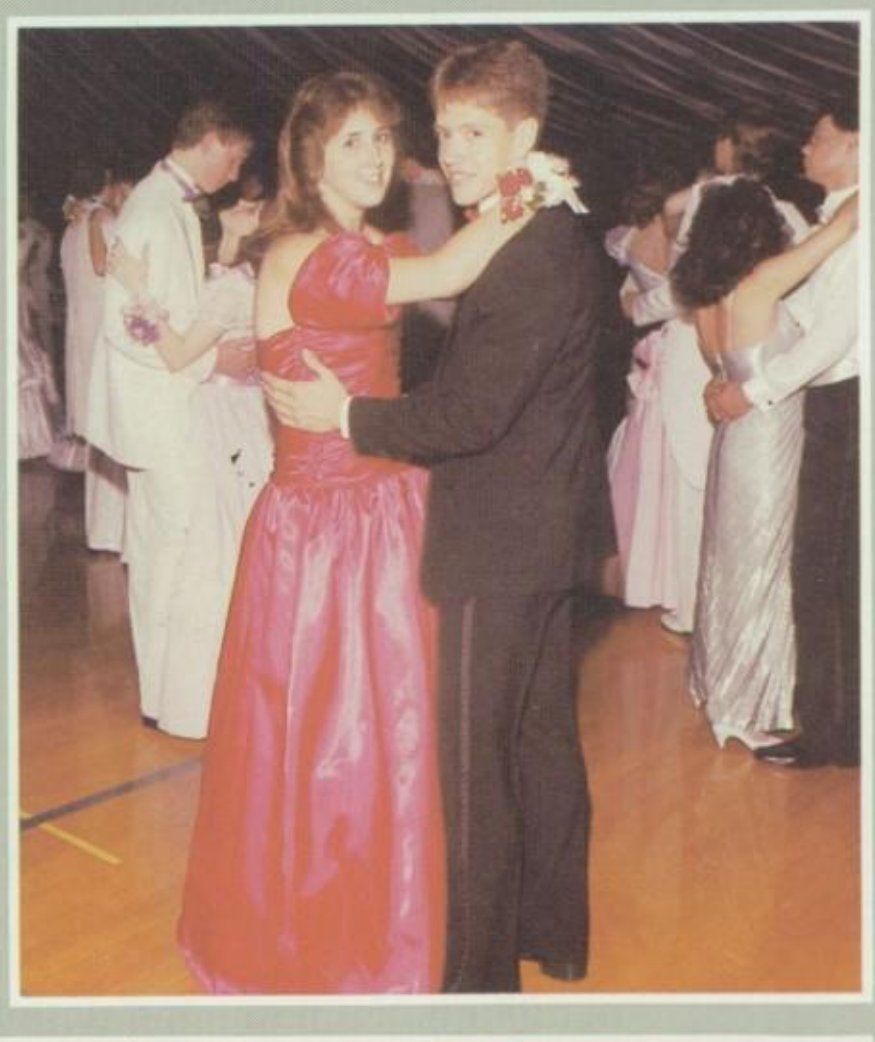
A theatrical event which all juniors and seniors who attended will remember for a lifetime took place on May 2. The occasion was the 1987 Westover prom. The theme, "On the Edge of a Dream," had many wondering if the experience was a dream. As senior Julie Czerniok said, "The prom was like a night in paradise." Spectacular decorations such as a 35 foot high balloon arch and blue and white streamers made the gym resemble an elegant ballroom. Mike Kennedy and Liz Alexander had the dance floor all to themselves after being named prom King and Queen. As the prom ended many were anticipating the next one as senior Susan Sheldon said, "I just can not wait until the next prom for a night filled with excitement." It also had Mary Owens, prom director, pondering upon how to top it for 1988. Afterwards, however, the party did not stop as partygoers moved on to Kagney's where the boys took off their jackets and the girls kicked off their shoes to dance. At curtain call, the dance floor was still crowded as the revelers danced into the wee hours of the morning.

At the 1987 Prom
Mike McPherson and Susie Fejerang had their cake and ate it too.



The stars sparkled when Mike Kennedy and Liz Alexander were crowned Prom King and Queen.

Sharon James and her date were lost in love as they danced eye to eye and cheek to cheek.



The rhythm of the night got Dan Mackey and Kim Baker in the mood for twisting the night away.

STUDENT LIFE

At 3:19 an abundance of tension fills the air in every classroom. Students wait impatiently counting down the sixty seconds until the last bell. Finally when the finishing ring echoes in the hallways, every exit is converged upon in chaos. Books, teachers, tests, and homework are set aside for life after school. Students hurry home to do any homework or hurry to their favorite socials with friends. Employed wolverines go on to experience a hard day at work. Spirited classmates, in the evening, return to school to cheer our athletes to victory. At night the parties begin, for this is life as we know it.

Lady Wolverines are in a class by themselves.

JV Cheerleaders keep the life of the game going.

The hallways are always crowded with dancing students.

Mr. Freeman shows he has the latest moves in tact.

The Wolverine spirit can't be beat.

Bus drills are never a thrill for students.

Together we stand and united we are.

Side by side, Julie and Tina, friends for a lifetime.

WOLVERINE SPIRIT

The football team was elated and the colors of blue and gray were everywhere for Homecoming '87. During Spirit Week the mood was lively as we dressed to show our unity. On Tuesday students showed off their favorite sweatshirt on college day. It was back to the 50's on Wednesday. Thursday students wore their hot jams for Hawaiian day. Finally on Friday true spirit was shown on Blue and Gray day. At the pep rally enthusiasm ran high. The cheerleaders danced, the football players got siked-up, and the students screamed. The gym housed a clamorous uproar. Friday night came in with a blast when the Wolverines trampled over Cape Fear with a score of 36 to 18. At halftime the homecoming parade showcased several colorful floats. After the game students headed to the homecoming dance where the mood and music was all up tempo.

BELLES OF THE SOUTH

Beauty shone as bright as a twinkling star at the Miss Westover Pageant on November 3rd. All 73 contestants glimmered in their evening dresses as they promenaded across the stage demonstrating the pageants theme, "Belles of the South". All eyes in the gym were on the stage as the new Miss Westover, Michelle Malvesti, was announced. Other winners included: Leah Kinlaw, first runner-up; Cassie Mouw, second runner-up; Marti Maddox, third runner-up; Cassandra Rucker, fourth runner-up; and Miss Congeniality, Heidi Smith. Nadeen Ortiz said that the Miss Westover Pageant was an exciting night to experience.

Elizabeth Turner hands over the crown to the new Miss Westover, Michelle Malvesti.

Winners of the night: Heidi Smith, Cassandra Rucker, Cassie Mouw, Michelle Malvesti, Leah Kinlaw and Marti Maddox.

Even backstage the contestants were all in smiles.

The moment has come, the new Miss Westover is crowned.

Choosing the top ten was no easy job for the judges.

DEBONAIR MEN.

The high pitched screams of lady Wolverines in the gym indicated only one thing, that the Mr. Westover pageant was here. In each phase of the competition, the young, debonair men added their own personality to enhance the show. The competition brought screams, cheers, and laughter as a new Mr. Westover, Greg Foster, was crowned. Other winners in the pageant included: first place, Pat Porter; second place, Edwin Brooks; and a tie for third place between Richard Hartline and Joey Cyr. Sophomore Patricia Pinckney said, "Over all, the 1987 Mr. Westover pageant was definitely a night all girls will remember."

TWO TIMES TO REMEMBER!

1988, in its first month, gave the students of Westover the impression that this year would be a year to remember.

The commotion started on January 7. The morning began as normal, but then at 6:30, to the praise of many students, snow came falling down. Students immediately turned on their TV's and radios for any news of school cancellations. To the delight of many students, classes were cancelled for a total of eight school days because of the seven inches of snow. This vacation became a late Christmas present for many Wolverines.

Westover Senior High in Winter Wonderland.

The six inches of snow made for unique footprints.

A view of N.C. most students don't encounter daily.

Last traces of the winter storm.

On January 28, sophomores finally had someone they could call underclassmen. They ranged in height from four feet to no taller than four feet six inches and they came in loads. They were the students from Morganton Road Elementary School. Because of heating problems at their school, they were hosted by Westover Sr. High from 11:00 until 2:20. Schedules were delayed and hysteria was created in the halls to accommodate the little bundles of joy. All of the kids eyes sparked interest and they made us remember when we were that age.

We will always remember these two times.

Faces were lit up as students prepared to eat lunch at the senior high.

In large numbers, the students unload the bus for a day at the senior high.

The lunch lines are always in chaos regardless of age or height.

The sound of silence in the library this day was hard to achieve.

A VISIT FROM THE LT. GOVERNOR.

The speeches were prepared, the band was fired up, the colonial costumes were worn and the students were enthusiastic for the visit of the Lt. Governor Bob Jordan. What started as a day filled with patriotic colors, ended in shades of black and white. Due to electrical problems, unfortunately, the assembly and celebration of our constitution was cancelled. Students were still able to catch a glimpse of Mr. Jordan, however, when he visited classes to discuss his political ambitions.

Westover's ROTC always gives a commanding performance because their superior pride is at stake.

LEARNING AND HAVING FUN AT WESTOVER

Who says learning always has to be hard work? Well that's not true at Westover Senior High. Now don't get me wrong, it's not always fun and games either, but Westover does offer a variety of interesting courses that help make learning fun.

Some of these courses include, Auto Body Repair, Electronics, Law Enforcement, Fashion Merchandising and Drama-Theater Arts, just to name a few.

So, if you are in the mood for learning with a little fun on the side, why not check out some of the different electives Westover has to offer? You just might be surprised.

LISTENING CAN HELP US

Listening to what people say can either help you or sometimes even make you laugh. Students on these pages are all either smiling or listening to their teachers or peers. Teachers try their best to teach us, the students, to learn, so that someday we will make a difference in the world! Just by listening, we may be able to change the world! So, why don't you listen more often??!

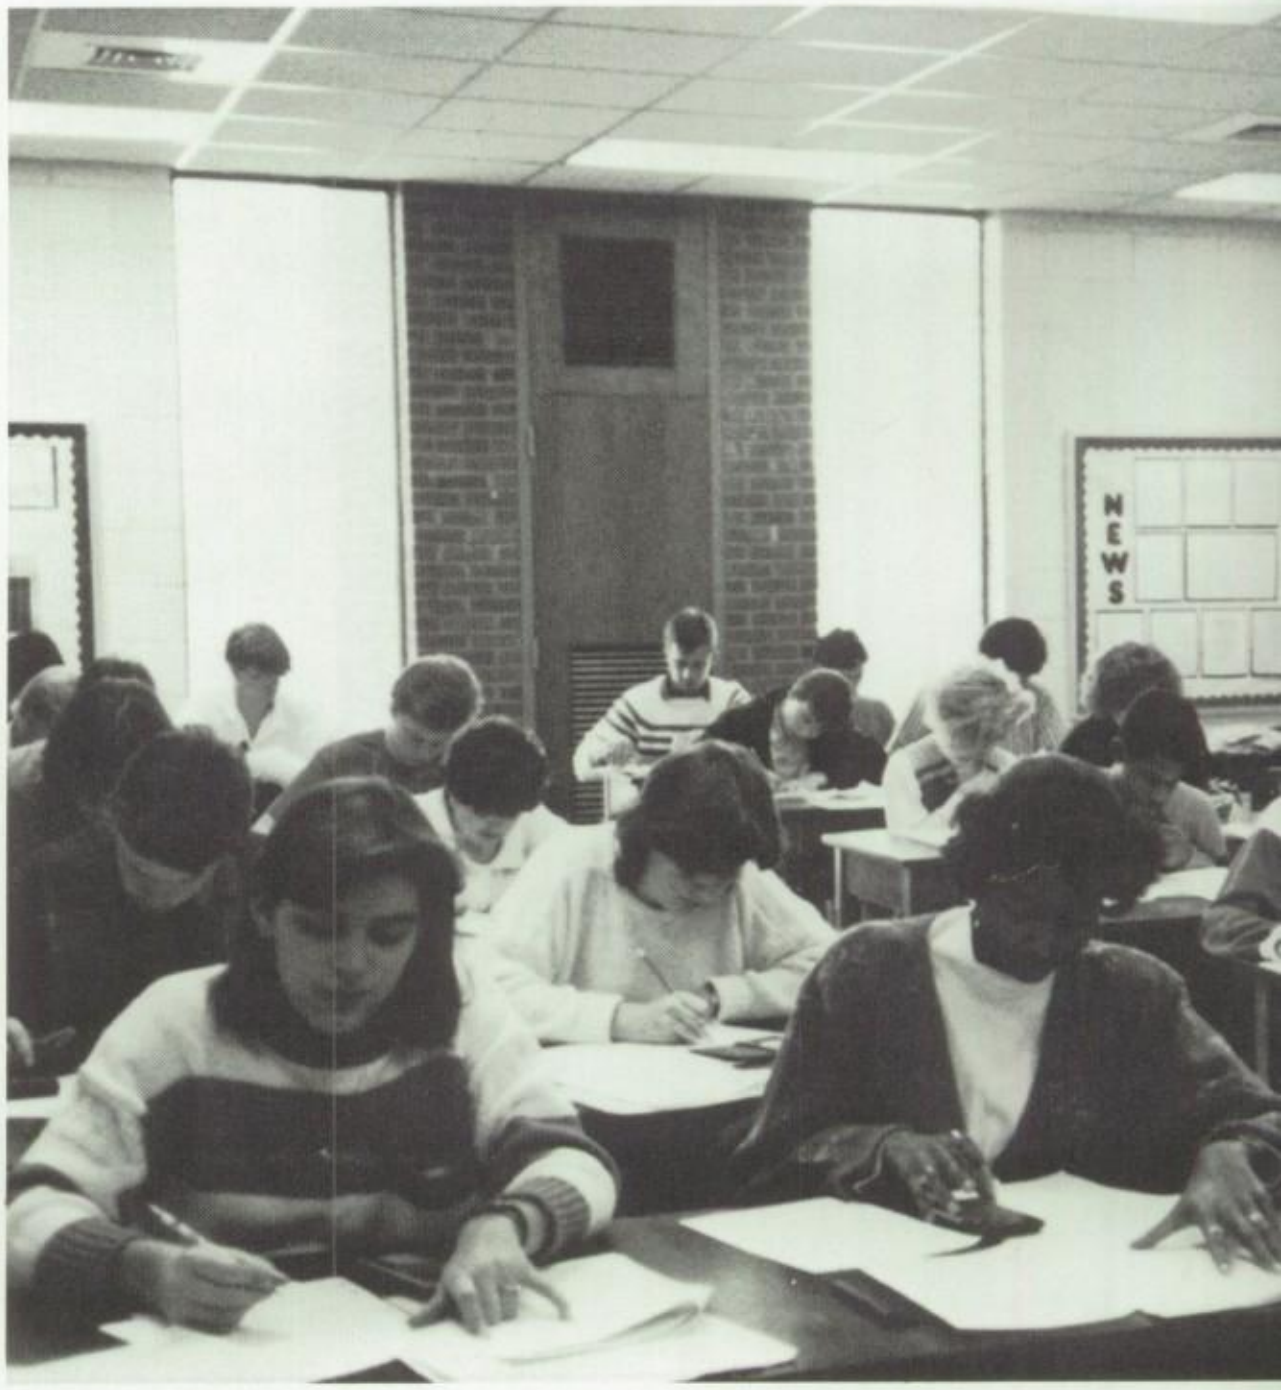
REMEMBER SEMESTER EXAMS

Semester exams seemed to creep up on us this year. After having been out of school for eight days because of snow, exams were the last thing on our minds. We had to endure four long days filled with two hour exams, and to top it off, a school full of kids from Morganton Road Elementary were here because of the loss of heat at their school. But that didn't stop the exams.



Above R: "So it is true what they say about Ms. Waddell's AP Chemistry exam!"

PRESIDENT — NISSARY FLING

During my stay at Westover, I have become a better person. Westover has helped me to experience and to grow. As the class of "88" — I wish you the best in all you do — And always keep your faith in God. To the class of 89 and 90 — keep up Westover's good name.

When you really want something — Go after it. Don't let anyone hold you back. "Set high goals — And reach for them." Nothing is impossible.

I'd like to thank the staff and administration — You've taught me a lot. Good Luck and God Bless!

Love Ya!,
Nissary Fling

DISTINGUISHED SENIORS OF '88

1 — **Mike Toler**

2 — "If you should see someone without a smile give them one of yours."

— unknown

It's a fact! Everybody needs one sometime . . . Smiles are friendly and easily spoken without words. Smiles make you feel special and get you back on your feet when you've fallen. But, smiles are incomplete without friends, and if I've learned anything in High School, it's "Friend's Are Forever." I'd like to dedicate this paragraph to those very special people who mean the world to me and who have stuck by me through the not so smiling times. Now we must face the future and open our blind eyes; understand what we've been prepared for and remember: true friendship **never** dies. Best Wishes classes of 89 and 90.

Peace and Good Luck
Class of 88!
"Heidi-Ho"
Heidi Smith

3 — Anything worth having should be worth fighting for. So we must work to get better and fight to get stronger. To be successful in this world we must be prepared to start at the bottom and work our way to the top. I've enjoyed my three years at Westover and will always cherish them. I'd like to thank Mr. Stanton, Mr. Sakellaris, and Mr. Freeman for having faith in me and helping me along the way.

Willis Taylor

4 — First of all, I would like to express my deep gratitude to all of my teachers and the administration at Westover Senior High. The past three years have been a great learning experience for me. My philosophy is to live in the present, look to the future, and learn from the past. Also, that great philosophy from Ralph Waldo Emerson, "Trust Thyself". I'd like to thank that special teacher, who taught me that philosophy.

For the Student Body at Westover Senior High look to God for guidance; with your trust in him, there's nothing you can't overcome. The best of Luck to the — Class of '88.

May God Bless,
Nissary C. Fling

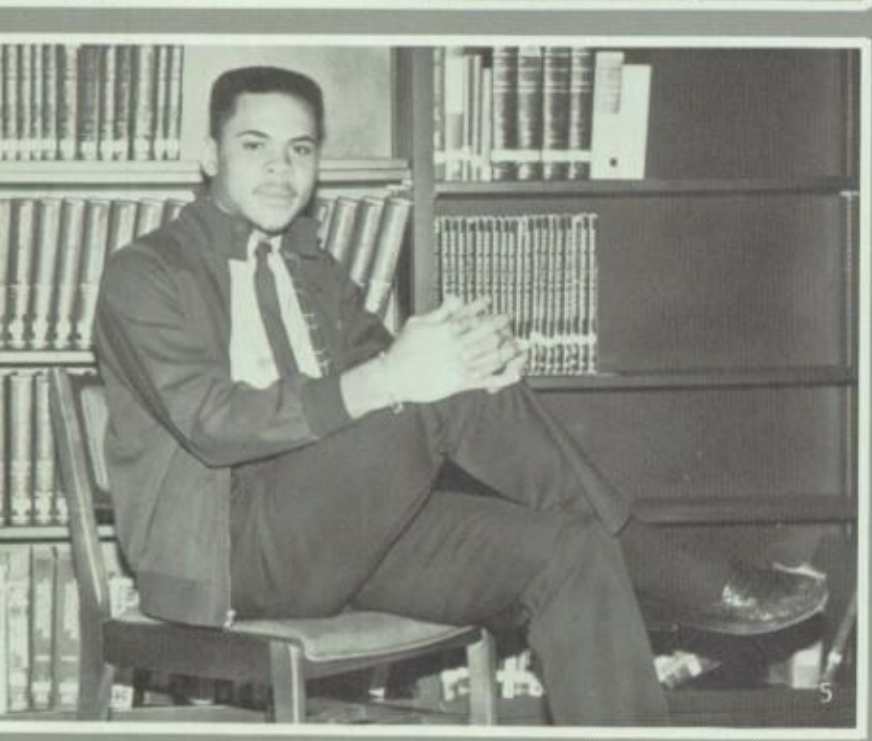
DISTINGUISHED SENIORS OF '88



1 — Life is to be cherished in good times and bad. Hard work and sacrifices should never be pushed aside. Never give up on your dreams and your diligence will be the soul of good luck.

Candace Howell

2 — Be careful, you who watch me, the smile on my face is deceiving. When I look in the mirror and make faces, as if for fun, the face that looks the most like myself does not have a smile. That face is hidden under the shadow cast by the brim on my hat, and only the tears reflect the sun as they fall on my beard . . .

My eternal thanks I give to the class of 1988.

Patrick R. Mackey

3 — We, as seniors, leave Westover Sr. High and step into a world of opportunity and possibilities. My advice to the class of '88 and to all the upcoming graduating classes is to set your goals high and always reach for them. No one is ever going to give you anything in this world. If you want it, go for it! So I say to the class of '88, we are the future of this world and the future is up to us.

Erica F. Moore

4 — I believe that it is important for everyone to have something to strive for in life. It gives a sense of being and offers you the chance to achieve something important. It doesn't matter how important or unimportant it may seem as long as **you** have a goal you can try to achieve. If you decide that you are going to do it then do it. It doesn't matter whether you succeed, just how much you try.

Efrem R. Leach

5 — The day of our graduation will be the first day of the rest of our lives because there will be no more high school and we will have to face the real world. The last seventeen or eighteen years of your life have been spent to equip you for the real world. We must be ready and able to deal with whatever happens. So to the class of 1988, in whatever you do, have fun and live your life to the fullest.

Eric W. Moore

DISTINGUISHED SENIORS OF '88

1 — I'm proud to say that I am a graduate of Westover Senior High. Unfortunately I ran into some misfortune at the beginning of the year, but luckily a close friend was there to help me out. Friendship, that's the key to life, success, and happiness. This is what the class of "88" possesses. I want to deeply thank all of my friends who were there for me. Good luck Seniors and go for the "Gold"!

T.V.

2 — I would like to express my gratitude to all the teachers who have taught me well and have set a solid foundation for my developing education. I thank them for the challenge and the efforts which have helped me to excel academically.

I sincerely wish the best of luck to those students who are striving for success. Hard work and determination will bring self-satisfaction.

I would like to say Good Luck and Farewell to the few, but **special,** friends that I have at Westover Sr. High.

Monica Cutno

3 — The Senior Year is a piece in the puzzle of life. During my Senior year, I have gathered a better sense of responsibility and respect for humanity.

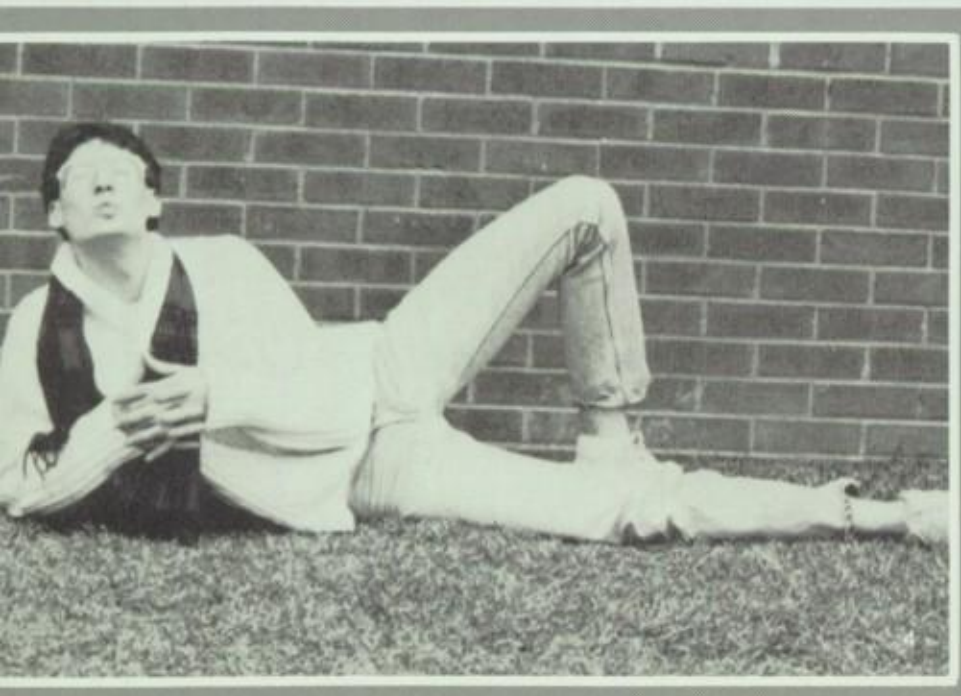
Through constructive criticism from the faculty and my friends, I believe I have become a better person and that I will be prepared for the future that lies ahead.

Good Luck —
Maurice Wilson

4 — When life seems tough, smile and keep the faith! If you believe in yourself and your dreams, you can make it through anything. Finally, always use your imagination. It will add so much color to your life.

Diane Jackson

DISTINGUISHED SENIORS OF '88



1 — Westover is proof that first impressions are often misleading — despite sharing a scary exterior resemblance to San Quentin, it has turned out to be a most enjoyable experience for the six months or so that I have been here. I came here expecting to be alone and unknown until I made parole (I mean graduated, of course) but the people turned out to be far friendlier to new students than I ever expected. Even though I will **probably** end up becoming a professional student the rest of my life, I want to give something back to this insane world that's been so nice to me . . . Anyway, I want to say, "thanks" to everyone here who helped me feel a little more welcome and, "good luck" to the class of '89.

Rodney Marable

2 — As our senior year slowly fades away, we look back on the many memories that made this year special. Cherish the memories of the past for they help you build for the future and live each day so that you will neither be afraid of tomorrow nor ashamed of yesterday. Congratulations Class of '88 and those that follow!

Katherine Renee Addison

3 — I would like to thank all of these special people who helped me along the way, especially my mom, who I love and cherish dearly. I would also like to encourage you the graduating seniors to develop and exhibit self-confidence no matter what the circumstances. Furthermore, I would like to leave you with the following lines of my future success . . . I used to dream militant dreams of taking over America. I used to dream radical dreams of correcting analysis. I even used to think I'd be the one to stop the riot and negotiate the peace. Then I awoke and decided that if I dreamed natural dreams of being a natural black woman, doing what a black woman does when she is natural, I would **have** my success!

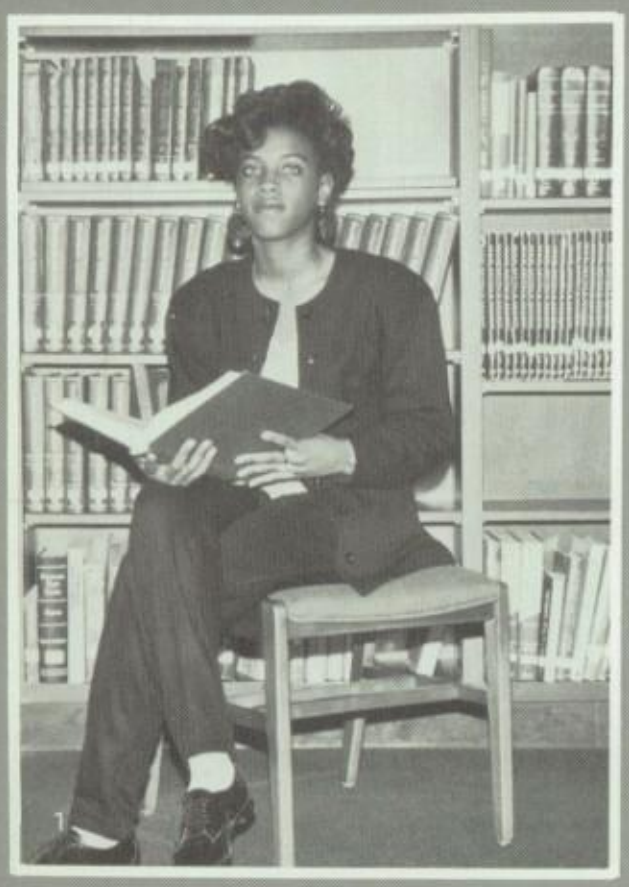
Deana Hopkins

4 — Think about what remains to be learned.

Skip Gill

5 — Take command of your life now, choose the path that will lead you to the greatest fulfillment of your expectations. Westover is the launching pad for your future attributes. I feel that nothing is unattainable if you want it badly enough. Excel at everything you do, whether it be Goalkeeping, studying, or whatever you like to do. Do not settle for second best, for if you do, your heart will not forgive you. SECOND TO NONE!

Eric Alexander Meyerson



DISTINGUISHED SENIORS OF '88

1 — The past three years have gone by very quickly. Now, we've finally reached the highlight of our high school years, Graduation! This is a tremendous accomplishment and honor for us. Not only have we conquered the tedious task of schoolwork, but we've also matured in the way we relate with our peers.

As we leave high school to pursue different interests we realize what advantages we have gained from this experience. Surely, the knowledge we've gained here will help us achieve all our endeavors! Best Wishes to the Class of "88".

Traci Drake

2 — The three years I have spent at Westover have given me the ability to grow both academically and spiritually. I want to thank my closest friends for all the friendship, love, and support they have given me, and I especially thank Joey for giving me the strength never to give up, no matter how high the obstacles, and for making me realize that nothing in this world will happen unless we make it happen. Good luck mates! All my love —

Betz Rowlee

3 — I would like to say congratulations and I hope you make it in the real world. I know that in the next couple of months and years we are to be getting a lot of advice from friends and people who have already experienced what we are going to go through and I hope it will help us in making the right decisions. My senior year has had its ups and downs, but it really has been fun. My advice for the future is to strive for the best and don't give up on anybody or anything.

Darrell Hayden

4 — These past three years at WSH will always be special to me. I believe in making the most out of one's high school years, because once they're gone, they're gone forever. This is a time to grow, to mature, and to shape the future. Don't be afraid to take risks and most of all, don't be afraid of failure. "I can do all things through Christ which strengtheneth me." (Phil. 4:13). Christ is the Lord of my life and without him I could not have achieved all the honors, awards, and special recognitions I have earned. With God on your side, all things are possible. So strive for success, set reasonable goals, and work to attain them by trusting in God and believing in yourself. May God Bless you All,

Regina Brown

5 — Work hard, never procrastinate, and study frequently; however, do not forget to have **fun** in the process.

CLASS OFFICERS

JUNIORS

This year the Juniors have shown the faculty and their fellow students what a great class we really are. Our combination of unity, school spirit and concern for each other and our school make us a truly unique class. The pride we take in our school and spirit have set us apart from the rest.

I have great expectations for our class. This year, the Juniors, together have met their challenges, overcame their obstacles and reached their goals. Next year, as Seniors, our obstacles will be larger and our goals higher, but I have faith in the class of 1989 and I know we will not fail. Juniors, I would like to thank you for the privilege of having been your president and for being such a terrific class. You make me proud to say that I am a part of the class of '89! Have a great summer and come back ready for your Senior year!

Student Council is an excellent opportunity to bring together a group of people and promote a sense of unity. Student Council offers a lot of different positions. We have a sophomore class, junior class and senior class, all consisting of a president, vice president, secretary, and five homeroom representatives for each class. The main purpose of the council is to be the link between the student body and administration, but we do much more. The council is responsible for all homecoming activities; while the junior class is in charge of the prom. This club also helps the community by such activities as Christmas food drives. We are lucky that our advisor is Mrs. Andrade.

Westover Varsity Football Team

The 1987 Wolverine Football Team, under the leadership of first year head coach Nick Angelone, erased many of the doubts its supporters may have had. In doing so, this years team also gained some respect while on route to a 5-5 record.

Coach Angelone (a recent inductee into the Elon College Sports Hall of Fame) along with the help of assistant coaches Kurtz, Dunn, Sheets, and Connor has developed some outstanding athletes during the years, like seniors Marcus Freeman (Captain), Mike Toler, Bill Ball, and Eric Moore.

These players will be replaced by returning players Greg Washington, Donnie Sydney, Dennis Tillman, Willie Bethea, and Jerome Walters. The future of Westover Football looks bright.

CONFERENCE CHAMPIONS

Rich throws in the ball.

Wolverine Pride

With only two seniors, both starters, goalie Eric Meyerson and fullback Mike Ingram, this year's Westover Soccer Team was one of the school's youngest, says Coach Rowlee. The two captains, Rocco Wicks and Frank Cassulo always seemed to keep up the team's morale. Eric, along with the assistance of the great defensive players, had nine shut outs this year. Kwasi Ankrah, the team's all time leading scorer, showed exceptional ball control. The Sophomores who were getting use to the coach were extremely talented this year. Most of the Juniors who made the team last year showed much improvement with their ball control and passing. The soccer team had many new plays and changes on the field. Even though the team gave their all, they just couldn't make it past the second round of the State Playoffs, but next year the Westover Soccer Team will be victorious.

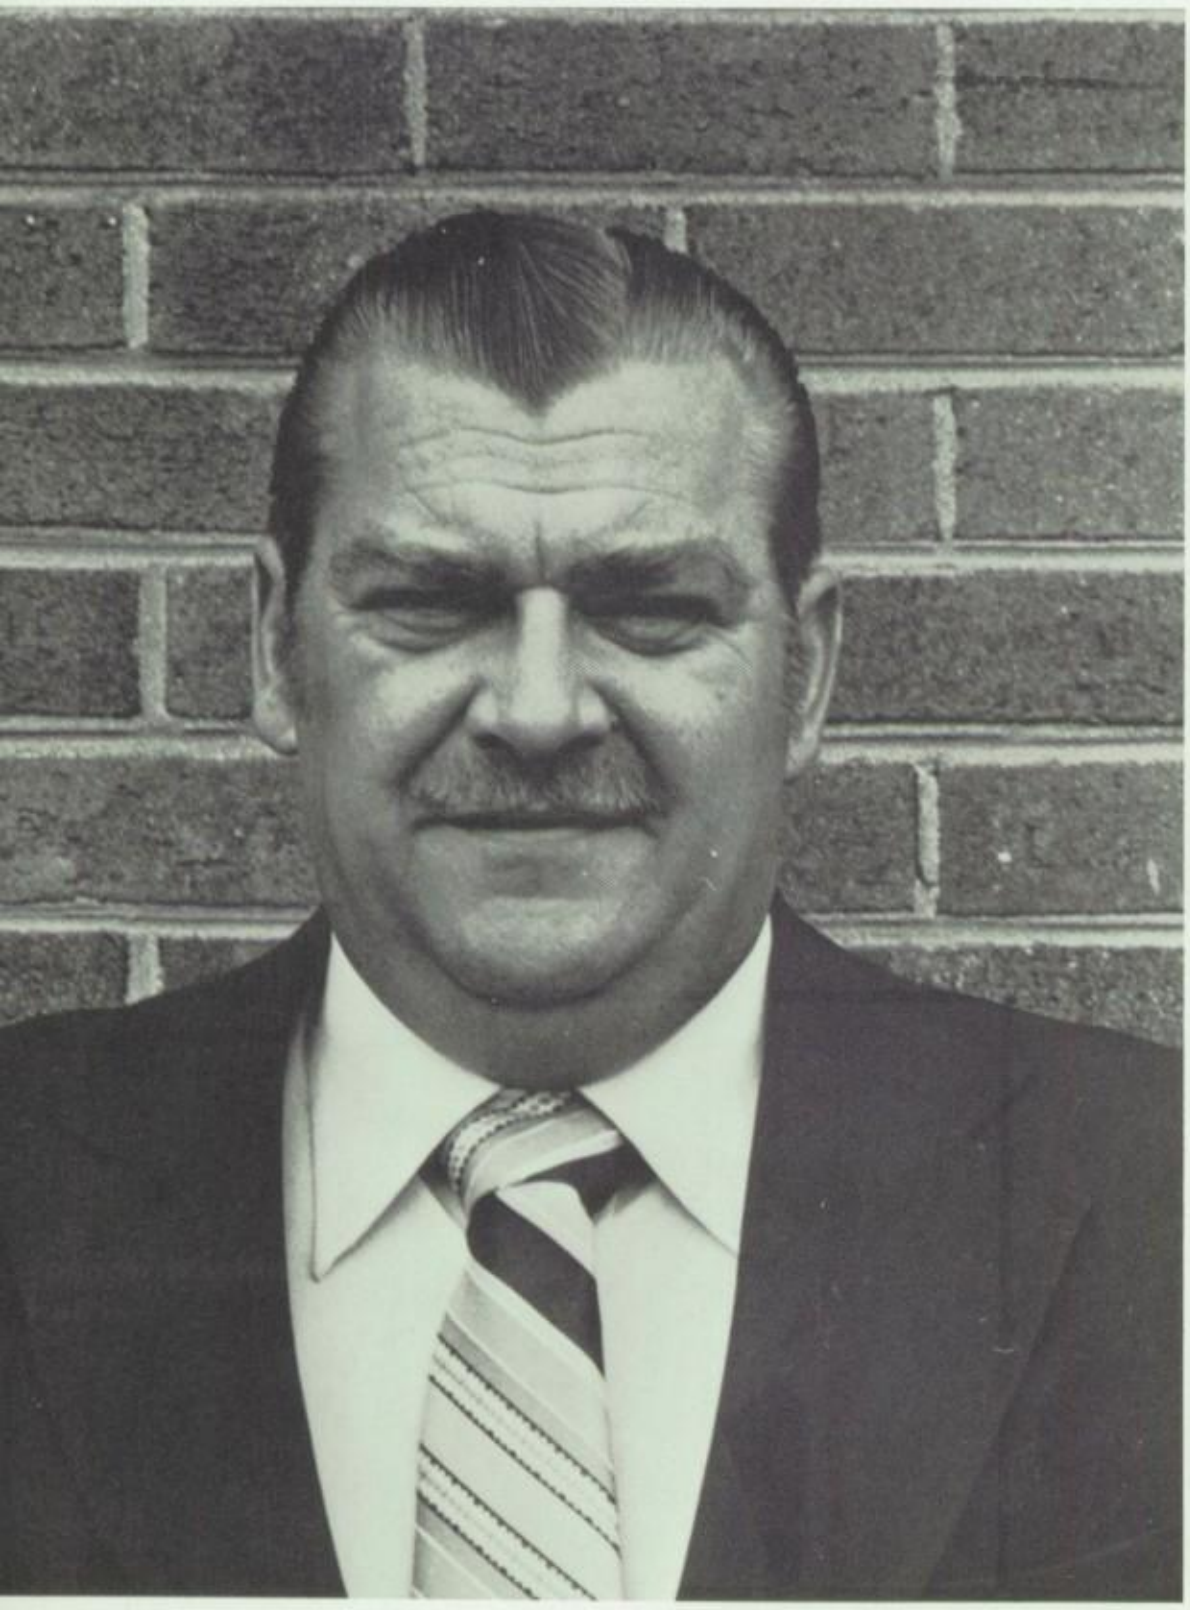
A TRIBUTE TO JIM ROACH



Mr. Roach served as president of one of the best athletic booster clubs that Westover has ever known. His understanding made him a true friend and loyal supporter of the Wolverine family. In the words of Nick Sakellaris — "He would do anything in the world for you." Chuck Stanton adds — "Jim Roach was a friend to students and faculty alike, especially when Westover was in its infancy." "Jim Roach exemplified the true meaning of a Westover Wolverine" — Regina Williams

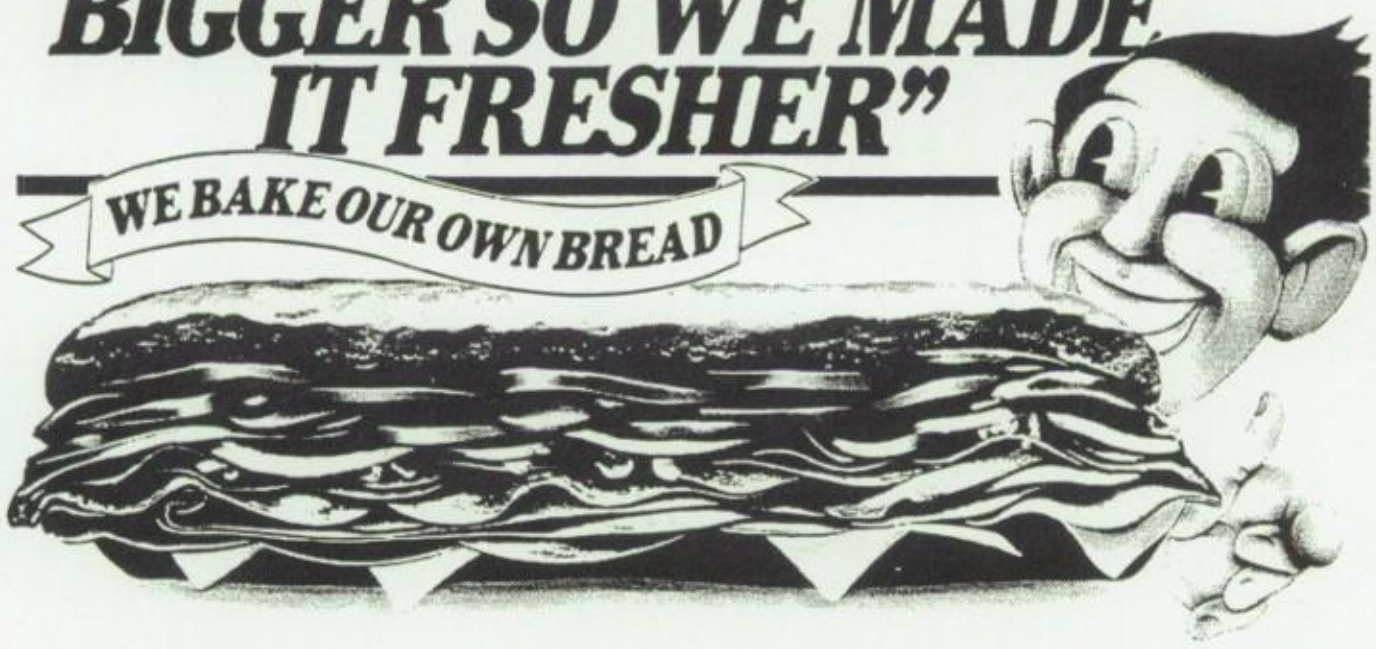
The Fresh Alternative

SUBWAY®

Sandwiches & Salads

"WE COULDN'T MAKE IT BIGGER SO WE MADE IT FRESHER"



The fresh alternative has always been bigger! Now it's even fresher, because we bake our own bread. The freshest ingredients. The freshest bread. The biggest sandwich. Try one today!

fresh Subway Sub or Salad is not "Junk Food". Far from it. It's delicious & nutritious! So, if you're interested in nutritional values of the "fast food" that you and your family eat, we invite you to compare the balanced range of nutrients provided in Subway products versus some of our popular competitors.

GET WISE HOLD THE FRIES!

wo areas of nutritional content that many people wish to avoid are "FATS" and "SODIUM".

The Subway 6 inch single meat snak size is delicious and appetite fulfilling *without* French fries, which are loaded with both. So, if you (or the kids) normally order fries with your burgers, chicken or fish, then you must *add that* to the comparisons below.

FRESH AS SUNSHINE VITAMIN C

he fresh Subway sandwiches are rich in Vitamin C.

Every 6 inch SNAK contains over 21.9 milligrams of Vitamin C (ascorbic acid) compared to only 2.2 Mg. for a BIG MAC and .7 Mg. for a Wendy's single with cheese.

NUTRITIONAL BALANCE

he natural blend of Subway's ingredients provides you with iron, protein, thiamin, niacin, riboflavin, Vitamin C and mostly polyunsaturated fats (the healthy kind). And the caloric values are comparable to the competition—without fries.

EDITOR'S NOTES

This is the second year that I have been the editor of the Zephyr and let me tell you that this year has been quite different from last year.

The staff this year consisted of fourteen students and one advisor, Mrs. Lorraine Price. The members of the staff were new except for four and it was a challenge to get them to work. But, I am glad to say that they did work and, in my eyes, that they did a great job.

My special thanks goes to Jeff Engel, Yumi Cho, Tara Minter, and Erika Helm for coming in eager to work; to Ginger Preiss, Reece Stephenson, and Misty Martin for all the fun the last three years; and to Chad, Nathan, Nichole, Tony, Patty, and Cindy, it has been an experience I will not soon forget.

I would also like to thank the faculty and administration for their cooperation in the production of this book. And special thanks goes to two special ladies: Mrs. Randolph for sticking by the staff at all times and to Mrs. Price for having the courage to jump blindly into the world of yearbooks. (You will do just fine next year.)

This book could not be complete without thanking all my friends for their support and special thanks to Candace for always being there. And finally, my gratitude would be remiss without thanking James Cooks for everything.

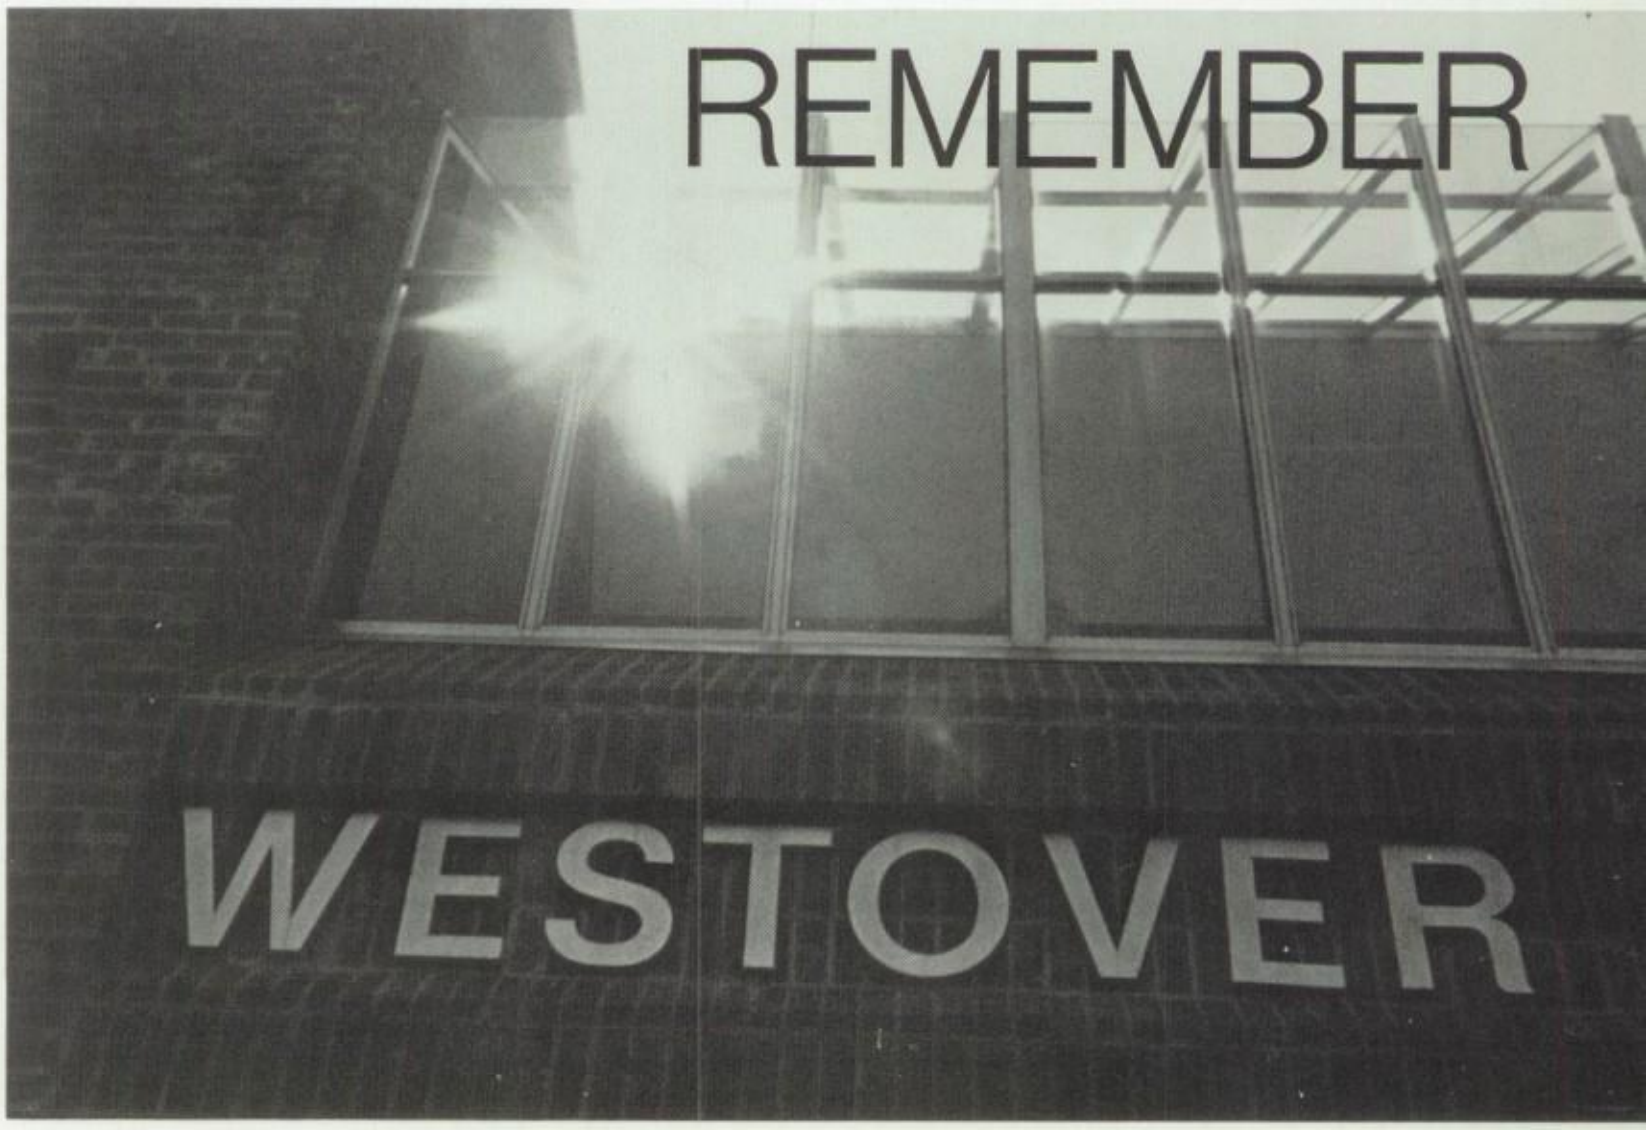
Have a great life and always remember . . . the memories.

Martha Rae Frank

THE YEAR IS OVER

THE TIME IS GONE

BUT YOU WILL ALWAYS REMEMBER



Deana,

Since you won't talk to me until I finish this, I better get started. You already know how I feel about you, so I won't go into that. I just want to say that no matter how long I live, you will always be the person that I love the most. You were my first true love. Even after all bad times that we have had, I still want you back. I can't explain it, I just have this everlasting love for you that will never die. As for your mother #2, and don't take this personaly, but she never had any reason to interfere in your personal life. Please don't get mad, because I forgive you. You only tried to help us both. As I've said before, I will always love you. Nothing will ever change my love for you.

I love you forever,

Wayne Cunningham

DEANA, (MY FAVORITE DUMB CHICK)

YO, BABE! WE'VE SHARED SO MANY LAUGHS AND GOOD TIMES... AND BAD. I'VE COME TO LOVE YOU AND TREASURE OUR FRIENDSHIP A LOT. THERE ARE SO MANY THINGS TO REMEMBER THIS YEAR: OUR DUMB CHICK(S) LAB PARTNERS, MS. WADDELL'S BOMB, JUDY, TRIPPIN' IN SPANISH, CADET TEACHING. WE'VE SHARED OURSELVES WITH EACH OTHER, I THINK. I'LL NEVER FORGET YOU, DEANA. I'LL BE DOWN IN DC TO SEE YOU SOMETIME. I KNOW I'LL HAVE A FRIEND THERE. DON'T LET YOUR DREAMS DIE, OKAY? IF I EVER NEED A DOCTOR, I WON'T LOOK YOU UP ☺ KEEP IN TOUCH.

PEACE
LOVE
JOY

P.S. IF YOU'RE EVER IN BOSTON, GIMME A CALL. WE'LL PAINT THE TOWN.

Deana,

Hey, Bama! Well, it's about that time to go our separate ways. I've enjoyed laughing, tripping, + having fun with you. I'll never forget the times we talked about people and <u>other things</u> on the phone until I thought my ear would fall off!

Most people would've been upset if I would've said some of the things to them that I said to you; But you understand my sense of humor. Most important of all you understand me.

Good luck at Howard! (Just don't become stuck-up or else I'll have to go up there and kick you off your "high-horse"!)

P.S. NEED SOME CAB FARE!?

LYLAS,

Teresa Y. Roberson
